

Please read the following statement before applying for services:

1. An online application must be submitted for EACH service requested.
2. Once you submit your application a case manager will review it within 15 business days of applying. **Please, do not call within the time frame required for review, as this will not expedite your application.*
3. After reviewing your application, a case manager will either call or email you to inform you of any additional documents that may be needed for processing your application. **An appointment may be scheduled by your case manager to sign your application and voucher for payment.**
4. If all of your documents are not received within 10 days of the initial contact with your case manager your application may be **disregarded** and a new application must be submitted. Applications over 30 days old will not be processed, and a new online application will be required to be submitted for processing.
5. Each time you apply for services all documents must be provided again. Your case manager does not have access to any of your previously submitted documents. They are stored in compliance with the State of Florida to prevent fraud for your safety.
